Interview with Herr Ranier Wegener (2014) So the year is rounding into a close, and I figure there's no better way to do my part in getting myself out of debt (personally speaking, that is) than to share with all of you some really great interviews from the archives. This is the fifth one (from May of 2014) in a series called 'Big Interviews, in which I interview amazing authors who have written amazing books. (Sometime in the next couple years I'll start doing those "Little Interviews," in which I interview authors who have created even more amazing books than they did in the Big Interview.)' And it has Ranier Wegener, whose debut novel came out this year, titled "The Sentimentalists." He has written a number of books, which I have not read, and one of them, "The Song Dog" was a short story I read online, and so it was an easy - and I mean EASY - transition to this one. Get ready to read something I will never, ever forget. Even if I am a person who does not normally appreciate colorful prose. One of the quirks about reading stories about the life
