Jumong Tagalog Version Full Episode Description :

Gong Ji, whom they call the Sunhae, is a place in the mountains where prosperity and peace are enjoying. Outdoor Korea. This will be a new section to cover the developments and battles in Goguryeo, Joseon, and China that took place during the war period. 1:01:28. 4/07/14/Well, I have for the past few years, been collecting stories about King Geunchogo of Goguryeo, an in-your-face prince who was willing to go to any length to get his way. I finished a collection of tales of the Goryeo era, the Jumong Tagalog version. When I started to compile it, the King wasn't that easy to find. I have worked on it for the past few years, and I think you'll get some more ideas about him through those stories. You see, Hello, this is Michael for Gogyebo, Korean History on the Green. Today, we're going to talk about the Goguryeo era. Goguryeo was the last kingdom

to exist in Korea. Also, called Pan-Goguryeo. It is known for marking the Korean unification. We can trace its history since it originates around 2,000 years ago. During the Daehanjin era, Goguryeo was an allied state. After the fall of Tang Chinese Empire, Goguryeo, Baekje, and Japan reunited into one state called Koguryo. Koguryo then changed its name to Goguryeo. It was one of the strongest kingdoms in Korea. Goguryeo was also known for the King himself, Geunchogo. The name Geun-Chogo can be translated as “Sunhae” in English. Geun is “sun” while Chogo is “moon.” Together, it means “Sun has come to the moon.” Geun-Chogo has been featured on a mural which was painted in 1994, at the Seokchon-Won time district in Cheongju. It shows him standing and pointing at a map of Korea and its surrounding regions. Here, he seemed proud of his nation’s expansion. Geun-Chogo 82138339de
