What's New in the Space Icons?

- [Solved] The space between icons is set as ONE EMPTY pixel - [Current] Some space between icons is left - [Fixed] space was not removed between icons correctly - [New] Ability to check all icons - [Important] Use `windows-start` to start the app ----- Windows Live Messenger Now Playing Plugin - The app by Yabber [im deutsche] 51. Sharing Circular Images on Facebook Controls - Windows Live Messenger Now Playing Plugin Viewing the images on Facebook [shared images] [no sharing] [undefined] If you choose to share the image, select "Circular" as the icon shape. Once you share the image, you will see a 'share this picture' link on the friends list. Whenever someone clicks on the 'share this picture' link, they will see your image in a circular icon. To see your shared image, go to: Facebook -> Share Make sure you can see the Share button on the top right. Select 'show details', then select your image. Summary - Windows Live Messenger Now Playing Plugin • Your 'Now Playing' status message • Your first name and last name • The song title • The artist name • The image's file name Now you can share your status message with your friends over live messenger. The cool thing about the plugin is that you can control how the picture looks like on your friends' status, without having to send images separately. You can control the circular status with the "Show more details" link. When you select the option to "Show more details", you will see all the tag information with the pictures, including the picture's name, size, shape, etc. You can control the "Show more details" link with your keyboard. [Shared] [No sharing] [No connections] Like [Follow] [Posted] [Comments] You can add pictures to your profile, if you want. Check all the images you want to share on your profile with the "Show all status messages" option. Check the messages you want to remove with the "Delete all status messages" option. Now you can choose what to send your friends with the mouse over the "status messages" text. When you delete all status messages on your profile, all pictures you have on your profile is gone.
