terminatorgenisysenglish1hindidubbed
itionsprogrammen. I have been studying here for 2 years
and I am really satisfied with my understanding. I am
fluent in English, having studied it at school for 8 years. I
also take extra classes to improve my knowledge. I've
been learning programming here for two years now. I
have a very good friend Michael. We often work with
him. Sometimes we play computer games. I love
spending time with Michael
