Oct 18, 2019 Open up the repair tool from your My Games/Macross/World of Warcraft directory. In this instance, it would be: C:\Program Files\Blizzard Entertainment\World of Warcraft\bin\repair.exe. Go into the repair tool and press ok. . If you try this, make sure there are no files open to begin with before running repair.exe. Bumping this question to the WoWdevs mailing list to see if there's any more information. The Orange County, CA, shelter's dietitian says she has never seen the restaurant owner on a day shift. (left) Ithaca, N.Y. -- City officials and the Girl Scouts of the USA have filed suit against Suzanne Groff of Glenville, the owner of the Original Pantry Restaurant, for allegedly requiring her employees to work a total of 14 hours a day, seven days a week, without overtime pay. Groff's restaurant is located in Ithaca, a city with a population of 44,000 and receives a small tax base from vacationers and visiting businesses. According to City Manager Cathy Delaney, city employees frequently must operate their own vehicles to do work, must pay at least \$2,000 per person per day for food when they take the city vehicle home, and receive no paid time off. Groff, the pantry restaurant owner, is the only worker who works a seven-day-a-week schedule, according to the suit. City workers do not receive extra pay to cover the cost of operating a vehicle, usually a city-owned or -leased Subaru station wagon, which the city paid \$4,500 for last year. "My family and I drive to Ithaca in my city-owned vehicle every day, and we use it for city business," says City Manager Cathy Delaney in a statement. "Ithaca's residents and visitors don't deserve to have to pay, and citizens should not have to subsidize, a restaurant that won't pay employees a living wage." Kelly Evans, a leader at the Ithaca Girl Scout Council, said that the restaurant's freezers are stocked with ingredients, and they must purchase their own orange juice in bulk for the restaurant, although she has never seen Groff on a day shift. "A lot of girls have to come to our Council for food," Evans says. "If they have problems with

Oct 18, 2019 I've a new laptop. I installed WoW 3.3.5. When I try to launch the game, it pops up this window (A DISABLED GAMEDATA HAS BEEN SELECTED. THIS MIGHT CAUSE THE GAME TO BE UNUSABLE OR BROKEN) then I click ok and the game doesn't launch. It's keep popping the same window, even if I try to open the program again. What can I do? Oct 18, 2019 Game doesn't start, repair.exe does nothing Oct 18, 2019 I have a mac with a Nvidia GPU. I updated to 3.3.5 and wow won't start. I keep getting these errors in the error log: Display Name: Blizzard id:988991972acf051b0644797b9071d86b description: Out of memory: address 0x0 (0x0+0x00000001c5a53000) File Name: Battle.net.log Time Stamp: 2016-03-10T14:20:12Z
