You may create a comprehensive information sheet for each entry in the collection, as well as add cover art and play the afferent trailer. The movie collection and the shelf view

AtonDVD For Windows

AtonDVD is a versatile and easy-to-use application that enables you to organize and view your movie collection. It offers a cover art and trailer feature and allows you to enter multiple movies in the database and view each of them on a separate page. Additionally, the interface allows you to search for one or more keywords, select several items from a list, and to view the top rated, longest play time or the most expensive movie. You can export your movie profile to PDF or HTML format and customize the entries with cover art and trailers. Key features: ♦ Set cover art and trailers for your movies ♦ Create a collection of movies to use a shelf view to display them all at once ♦ Add multiple movies to the database and view each one on a separate page ♦ Choose different criteria to search for movies, including title, year, rating, play time, director and actors ♦ Sort movies, select multiple entries or view the top rated, longest playing or most expensive movies ♦ PDF export allows you to create a movie directory ♦ Full printable movie covers can be created from the software ♦ QuickImport function imports an XML file of your movie database into the software ♦ Clear DRM protection from DVDs and BDs ♦ add trailer to DVD, BD or any IMDB movie AtonDVD 15.5.0 Multilingual 10/18/2020 | 274 MB AtonDVD Description: AtonDVD is a versatile and easy-to-use application that enables you to organize and view your movie collection. AtonDVD [32|64bit] [Updated-2022]

AtonDVD is a program that enables you to organize your collection of movie DVDs, CDs or Blu-rays. You may create a comprehensive information sheet for each entry in the collection, as well as add cover art and play the afferent trailer. The movie collection and the shelf view AtonDVD allows you to enter multiple movie titles in the database and to view each them on an individual page. A movie profile consists of production information, such as title, release year, director name and actors. Additionally, the software can display the DVD or Blu-ray cover art, if it is available. When owning a large collection of movies browsing through the database entries can be tiresome, which is why AtonDVD features a useful function: the shelf view. It is a separate window that displays a shelf-like background image, where you can view all the items in your collection as thin rectangles. Hovering the cursor on top of each one reveals the movie title. It is just as visually browsing through the DVD cases on a shelf. Powerful searching engine Aside from the user-friendly shelf display feature, you may also search for a movie, using the integrated searching engine. There are several criteria that you can use in order to match the key words, including movie title, rating, play time, direction, year or price. You may select only one matching criteria from the list. Additionally, you may view a statistic top of the highest rated, longest play time or the most expensive. Moreover, you may export a movie's profile page to PDF or HTML format, and include the desired details. For instance you may add all the data, all data except actors or use only title, thus creating printable DVD covers. Useful movie organizer Choosing the right movie can be a difficult task especially if you are not up to date with all the titles you own. AtonDVD can help you organize your movie collection in an easy to use database system. Thus, you simply need to add a movie's title and general information, as well as customize the database entry with a cover art and trailer. You may thus create movie profile pages that you can sort, search for or browse through in the shelf view. AtonDVD reviews "AtonDVD is a excellent tool for anyone who is looking for a nice program for his DVD collection. It is not only capable of viewing your dvd collection on your screen, but it also offers users the ability to add movie details for

What's New in the?

AtonDVD is a comprehensive software that enables you to organize your collection of movie DVDs, CDs or Blu-rays. Use the program to build a database of the titles you own, add a cover art for every DVD, Blu-ray or CD, create a movie profile page that includes general information, like year, title, or rating, add a trailer to the entry and save it to a collection. Discover dozens of movie genres, get information about actors and directors, plus watch movie trailers or featurettes. #2 Tools released in 2017 #4 Best Selling DVD Management Software #5 Popular DVD and Blu-ray Management Software #6 Best DVD Management Software #7 DVD Management Software #10 Best DVD & Blu-ray Tools #11 Best CD & Audio Management Software #12 DVD Tools #13 Best DVD Tools #14 DVD Management Software #15 DVD Tools #17 Family DVD Management Software #18 Best DVD Management Software #19 Best DVD Management Software #20 Best DVD Tools #21 Best DVD Tools #22 Top DVD Tools #23 Best DVD Tools #24 Best DVD Software #26 Best DVD Tools #27 Best DVD Tools #28 Best DVD Management Software #29 DVD Tools #30 Best DVD Tools #31 Best DVD Management Software #32 Best DVD Software #33 Best DVD Management Software #34 Best DVD Tools #35 Best DVD Tools #36 Best DVD Management Software #37 Best DVD Tools #38 Best DVD Management Software #39 Best DVD Tools #40 Best DVD Software #41 Best DVD Tools #42 Best DVD Management Software #43 Best DVD Tools #44 Best DVD Management Software #45 Best DVD Tools #46 Best DVD Management Software #47 Best DVD Tools #48 Best DVD Management Software #49 Best DVD Tools #50 Best DVD Management Software #51 Best DVD Tools #52 Best DVD Management Software #53 Best DVD Tools #54 Best DVD Management Software #55 Best DVD Tools #56 Best DVD Management Software #57 Best DVD Tools #58 Best DVD Management Software #59 Best DVD Tools #60 Best DVD Management Software #61 Best DVD Tools #62 Best DVD Management Software #63 Best DVD Tools #64 Best DVD Management Software #65 Best DVD Tools #66 Best DVD Management Software #67 Best DVD Tools #68 Best DVD Management Software
