* Review of the game, February 25, 2017 (Yonhap) As an action-RPG fan, I'm sure I'll enjoy the graphics, the music, and the battle moves, even if the story or story line is completely different from Dragon Quest or Final Fantasy. (Yonhap) * Review of the game, March 1, 2017 (Chungang Ilbo)

Appropriate to the Nordic setting, the music and the visuals are a refreshing change from the usual high-tech style that's pervasive in the current gaming industry. (Chungang Ilbo) * Review of the game, March 7, 2017 (FADs) Admittedly, the graphics are not as polished as those in other games. Still, the graphics can be considered typical for a PC game. (FADs)

* Review of the game, March 8, 2017 (The Korea Economic Daily) As a genre and graphics-wise, the game is a bit lacking in terms of games released in the last few years, but it's a strong start for a brand new IP. (The Korea Economic Daily) * Review of the game, March 13, 2017

(Chosun Ilbo) The game, despite its shortcomings, is fun to play and worth taking a look at. (Chosun Ilbo) * Review of the game, March 14, 2017

(Hankyoreh) The game is well-made for its genre. Although there are no

big game flaws, some work still needs to be done. (Hankyoreh) * Review of the game, March 15, 2017 (DongA Ilbo) It's been a long time since such an original fantasy story has appeared. Although the game may not have every facet of the genre perfect, it's an enjoyable title for players who like their fantasy stories full of action and adventure. (DongA Ilbo) * Review of the game, March 22, 2017 (MMA) As an action-RPG fan, I'm sure I'll enjoy the graphics, the music, and the battle moves, even if the story or story line is completely different from Dragon Quest or Final Fantasy.
