The Departments of Homeland Security and Justice have made you an offer you can't refuse - join law enforcement, fight crime in the Columbian jungle, or work for a Colombian drug cartel. Your choice will determine how the story unfolds, as you work your way through the ranks of the notorious Medellin Cartel. From owner, to kingpin, to sicario. We've also included a Single-Player campaign where you take the role of a Special Forces operative in an effort to apprehend the leadership of a drug cartel. You must make your way deep into the Colombian jungle, where high-tech weaponry and endless firepower are more than a handful for your average drug addict. Fight for the Medellin Cartel as a Sicario, or enforce the law on the Coalition as either a Colombian Search Bloc or DEA operative. The decision is up to you. The Columbian jungle city of Medellin is the final battle ground in Colombia's long standing drug war. You and your fellow Coalition or Cartel operatives are engaged in an intense, story-driven action packed campaign, with players controlling their own character, choosing their own destiny. We pride ourselves on providing a massive open world and environments that are truly authentic. We worked with our own photographers, computer graphics artists, and developers to achieve this. A massive single player campaign with a variety of missions, and an environment to explore alone or with friends, Cartels takes place during the late 1980s drug war in Colombia. Fight for the Medellín Cartel as a Sicario, or enforce the law on the Coalition as either a Colombian Search Bloc or DEA operative. Take to the streets and jungles of Colombia and engage in intense realistic firefights. Features: Authentic gunplay: Engage in realistic firefights with weapons that must be carefully aimed, but are quicker to kill. There are no crosshairs or hitmarkers. Character customization: Mix and match numerous clothing options to make your favorite outfits for either the Cartel or Coalition. Cooperative & offline play: Play cooperative missions against AI enemies with your friends in Outbreak and Operations, or offline in any mode. Weapon unlock & variant system: Unlock new weapons and variants by completing challenges as you play. Progression is not linear, so what you unlock next is up to you. Immersive gameplay: From bodies writhing on the ground to explosions all around you, become immersed in the art and sound of Cartels. 16v16 Multiplayer
