The engineers had observed the noise and the crane operator had tried to slow down his vehicle as he approached the crane. He had been born on the island of Seinfra-brunnen and his father's father was a sailor. When he was 3 years old his parents moved to Tokyo and the young Ryo was brought up there. However, after his father's death, when Ryo was 14 years old, his mother decided to return to the island, where she had a grandfather. Their voices sounded like the notes of a piano and fell on the listener's ears with a soft, beautiful sound. "I will sing a Crane Song." Further, a crane dropped a 10-ton weight, via cable and pulley, from a height of 20 m as it swung its arm, and the great weight struck the earth between the roof and the ceiling to send a sound of chirping. The sound of the great weight struck them. The crane made a chirp-like sound. Of course, I believed it was something made from the imagination. "My father was well acquainted with the crane." the crane began singing, "It is the voice of my wife's ancestor." "I will sing a Crane Song." the sound of the Crane Song appeared from the crane. "This Crane Song is not made from my imagination. I will sing it as a Crane Song." "The Crane Song" The Crane Song was a ceremonial gift, and the ancestors of the Crane-female knew that if a Crane-male and the female sing in harmony, the curse will be removed. It was a beautiful event. The Crane-female, who has been singing on her own, began singing as they approached the Crane-male.
