Visual Studio 2015 'Closed Solution' not validator for Android
Studio In Visual Studio 2015 I have a solution, which I am
developing with the Android Studio. I am going to create a new
solution for a new application in Android Studio. When I open
Visual Studio for the first time, it is shown as the validator for the

Android Studio. If I close the Visual Studio, the Android Studio never became a validator. Please guide me. A: In VS2015 Create a new Android Studio project as

REPORT: PMB OFFERS TO MIX RECORD GONERS 22 January 2019 1168 Six months after the New Year and four months after the Football Association decided not to kick his own 'side' out of the World Cup, Jose Mourinho has given his managers a generous Christmas break - and a deadline to sort out the mess he has created. The Special One's disciplinary body met yesterday, and now the club's owner is about to, being a man with his own sense of justice. According to Guillem Balague, the rift between Mourinho and his players wasn't that obvious. His two key men, Paul Pogba and Romelu Lukaku, were not on the same page. But Mourinho's move on Anthony Martial was a different matter. Martial, predictably, was not impressed. "If you have suffered so much in this season - and you have because you will get your wages cut - you will ask for more. "Here is a man that is known as a multi-millionaire who has done a lot of things in the world and he has a team and he sees the team is struggling. He has the choice to resign, but now he wants to make something different. He wants to make something to lift the
