I will celebrate my 5/6th birthday on March 10th, making me the oldest member of my extended family of children and grandchildren. I will celebrate the 50th anniversary of my birth-date on November 11th, and soon after that will be turning 65. And that is enough to depress me. Really. Sometimes I think about it and I come up with 50 books that need to be read but I haven't read them or haven't had the desire to read them. It is a very long list. I'm glad I have the time to read some of the books on that list. I read a lot of books. Maybe too many. Some time ago I remember reading 14 books in a year. A friend had my back for a while, reading for me. I had to read more than usual in 2016, but I have not seen that happen again. I was not reading 14 books in a year in
