Fri, 17 Apr 2017 07:00:01 Z2017-04-17T07:00:01Z "Fight Your Way to Victory"

Antlion's second title, "Fight Your Way to Victory" (闘魂: Jubai de Musubi Eki), is a newly announced fantasy action RPG developed by Tradecraft. In this title, the player must go in to the world of Ærli, where a war is raging against the evil Fairy Kingdom. To spread the light and overthrow the Fairy Kingdom, the player must not be injured by the massive creatures called Titans. The battle system uses the standard battle system of Attack, Defense, Recover that is familiar to most action RPGs, but to enhance the player's abilities, there is a special talent tree, which greatly affects the gameplay of attack and defense. In the world of Ærli, using skills you have learned in your past life, the player must go into the fray.
