What's new:

WELCOME TO THE LAND BETWEEN!!

"And it shall come to pass after many days, that the Antichrist shall be destroyed but not by man" —Ezekiel chapter 33-

"Could it be? Is it really true? Can this be our salvation? Are the winds of change blowing?"

"Our hope is in the Ark. The humans will win the Day. As long as the Ark survives, man will be immortal... Man will inherit the Earth."

Evil is born from the weaknesses of humans. Subjugating the enemy is the most basic obligation of the human race, the one people are most confident and proud of. However, as the information age grows, the appearance and power of the enemy are becoming more numerous and imminent, and the civilization of man is on the verge of collapse. The defeat of the enemy is due. The collection of survivors is a final option.

Will you emerge from this valley of ashes and enter the Land Between?

"As far as I know, this is the first time that the researchers at the state of the art on this subject investigate the non-empirical aspects of the phenomena in a linguistically oriented study," says Dr. Sahar Ateeq. This research could be strongly relevant for the cause of the speech restitution, written for the blind people: several researches from
