The Elden Ring is an online fantasy action role-playing game that allows players to create a virtual character and live a story. Players use their smartphone or tablet to navigate and battle in a vast 3D world that supports classic RPG action. By searching for clues, players are able to discover a rich story in the form of fragments and encounter villains and other characters. The Elden Ring is a slice of fantasy where there is always a way to become stronger, and it's never too late to start. ????? MORPG ELDEN RING STANDARD EDITION ????? A 60 Day Trial period is available. • The Game The game starts as the player creates a first character. During the 60 day trial period, players are able to progress in the main game.
