Elden Ring Features Key:

A Vast World Full of Excitement - A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.
Create your Own Character - In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.
Play as Your Own Hero - In addition to the main series, you can play as race heroes from other aspects, such as the Orc race, the Dwarves race, and the Humans race.
Epic Drama Born from a Myth - A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.
Online Play that Loosely Connects You to Others - In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.
