### **What's new:**

- **FIFA 22 brings the World Cup to life with a new Stadium Creator, Dynamic Weather and the FIFA World Cup. New stadium creator lets you make and share your own stadium to play the game in - call it your personal FIFA World Cup™ experience. Dynamic Weather adds weather like snow or thunder to affected matches - and in World Cup mode, this affects the weather at the venues before each round.**
- **Pro-edited FUTContent brings the game to life through the content available in the game and with new features like the Exhibition mode, where you can test your skills against opponents created by EA SPORTS FIFA developers.**
- **EA SPORTS FIFA 22 introduced three new clubs' stadiums to FIFA Ultimate Team - the Atlanta Motor Speedway, the Green Bay Packers' Lambeau Field and the renovated Seattle-Tacoma Stadium.**

million units worldwide and won every major gaming award. **Gameplay** More than 5.000 videos from around the world and 1.600.000 licensed players show off the new tricks as well as more than 500.000 authentic game textures and new lighting. **FIFA Ultimate Team** Everything you need to succeed in the Champions League is now at your fingertips. Create your dream team with unique player cards, new stadium cards and all-new cards for your best players. Combine a global community to create the ultimate team. **New Moves** FIFA 22 brings new confidence-boosting moves - like the overlap, the lob and the feint - and new stoppage moves - like the block and the tackle - and makes goalkeepers work harder for every save. You can now do even more off the ball with new off the ball run animations and run differently off the ball so that defenders don't catch up with you - just stay one step ahead and drive on. **Last Ball Control** Every player is harder to control with smarter player reactions, tight turns, better pushes and overall better decision making. Avoid those last-ditch tackles with more realistic pressure, plus you can use the touchline to break down a defense and pick off a loose ball. **New Skills** The new dribbling system - also known as aerobics, combos and over the balls - is stronger and demands players to keep up with every single challenge. Show off your technical skills to slide by or float past a defender, or catch an opponent off guard and improvise a goal. You can also combine moves to create new tricks - like the lob - that are simple, yet satisfying. **Even Better Teamwork** Pace up the action when your team needs it with new tools to work as a team. Now you can instruct your players to shield the ball with your bodies, make precise passes and get on the right side of the field. **New Tactics** Take control of your own play on the field with a new
