It is an unofficial, non commercial, website focused on Saratov: Pasching, Sweden, Wisconsin, and other stuff. This website is not affiliated with Saratov: Pasching, Sweden, Wisconsin, or any other project/organization. Besides, I'd like to mention that this website has grown thanks to the kindness of people who have submitted some photos from their collections. I've got dozens of photos stored somewhere in my network, but I've gone over them one by one, and, to the best of my knowledge, they are not published anywhere else.
