THE REBELS OF THE ELDEN RING REACH THE END OF THEIR MISSION. While the battle between the Elden Ring and the Order is raging on, the Reapers, who oppose the Elden Ring, have also begun advancing. It is time to unite all remaining Rebels and take them to the final battlefield! It is a big forest where various enemies and huge beasts dwell. Alongside this, there is an ancient tree that is wrapped by a strange sense of wonder. It is known as the "OASIS OF REAPING". In this special world known as "The OASIS", a mysterious world between the real world and the world of dreams, some factions have been preparing for this battle for a long time. One of these is the Order, a group of humans which has a very different power compared to the other humans. The leader of this Order is a man named Edgar, who is also known as the "Vicar of Vicars". By fusing the wild instincts of beasts to the mind of humans, he is making a good use of this world to fight back the enemies. While all of the Order, along with their group of Dark Elves, are currently engaged in intense battles with the Elden Ring, the Barons, who act as the leader of the Order, have deployed a special unit to capture the "OASIS OF REAPING". Even if the battle between the Reapers and the Order leads to full-scale war, it is unclear as to who will win in the end. *What is the "Dark Moon"? The "Dark Moon" is a special state of "The OASIS" that has a different power than the real world, resulting in war between the "Dark Moon" and the "Light Moon". While a user can freely switch between the two moons at any time, both sides will be under the threat of war. Before you embark on this journey, you will need to gather a large number of troops from various races. *Who are the Elden Ring? The Elden Ring is a world-wide organization which is the main antagonist of the story. The leader of the Elden Ring, "Edgar", is a man who uses the power of beasts to create a world where the humans and Elden can coexist.
