place to live, work and raise a family. We want to see West Seattle transformed into the clean energy and innovation hub of the region, where we can train the brightest minds and cultivate talent - for this, we need to grow and keep businesses here. We should: 2) Create a community investment fund to help finance renovation and development of commercial and residential property for the long term. The fund should be accessible to businesses and residents of West Seattle. 3) Partner with private investors and foundations to provide incentives to e79caf774b
