The Elden Ring (hereinafter referred to as the "Game") is an upcoming fantasy action RPG developed by SKYSOFT, a subsidiary of SKYWORLD and the developer of renowned titles such as Skytorn, Bard's Tale, Lone Survivor, Black Talon, and Shift2. The Game will be released for PlayStation 4 on October 25, 2016. Key Features ♦ A Massive World and Rich Story The game features a full-scale, interconnected world featuring a massive open world. Journey to the different regions, introduce yourself to other races, and explore strange lands in search of hidden information. ◆ An Epic Drama and Availble for All Factions With a vast story that changes according to your choices, you can customize the ending of the story according to your play style. Find out what happens to those who are crucial to the game's story, and uncover the secret of the Riddle's Gate. ♦ An Adventure with Chance and Exploration System Set in an original world, the game features a completely unique action RPG combat system that allows you to freely explore the world and venture into the midst of enemy encounters. You can freely set your gameplay style. ◆ A Multiverse-Inspired Online Scene In addition to the single-player experience, the Game supports an asynchronous online mode which allows you to feel the presence of others. These factors create an environment which builds the online experience from the ground up, and supports a multitude of play patterns and game types, which can be experienced as you desire. ◆ A Vast World Full of Adventure Explore a vast world that can be freely browsed and discovered. Watch out for new monsters and fill your arsenal with powerful weapons and armor to vanquish them. ◆ Famous Artists From Many Fields Including Skytorn, Bard's Tale, and Shift2 In addition to the original developers, the Game has received the full involvement of celebrated artists and newcomers. The well-known top creators from Skytorn, Bard's Tale, and Shift2 have produced character illustrations, including the in-game portraits. ◆ An Original Musical Soundtrack The Game's sound will feature a vast musical range, including traditional orchestral music, and a strong emphasis on creating a tense dramatic atmosphere. ◆ Follow the Story in a Dynamic Visual Novel The story is a visual novel, so players will be able to fully experience

Elden Ring Features Key:

Equip swords, guns, and magic

Explore a massive world with densely populated dungeons to defeat Innovative action RPG inspired by the golden days of RPG series

The Review Score:

I gave it 9/10 as the length of the tutorial was a bit annoying, but the tutorial is only a mere side quest. Dive Brief: Travis Washam, 32, is staring at a lifetime sentence in a Montana jail after being indicted for charges stemming from the 2017 ATV and Snowmobile crash that killed his best friend during the Whitefish Speed Fest. Washam initially pleaded not guilty to two counts of criminal vehicular homicide, as well as two counts of criminal endangerment causing substantial injury and tampering with evidence. The Montana State Prosecutor's office is considering pursuing an additional charge of Criminal Use of a Deadly Weapon or

Firearm, for allegedly pointing his friend's truck, worth \$14,000, at an innocent bystander in retaliation for their friendship, the Flathead Beacon reported Thursday. If added to the existing charges and he is found guilty, Washam faces up to a life sentence in the Montana State Prison, as well as a possible \$1 million fine. Dive Insight: Washam was involved in a crash with his friend during the 2017 ATV and Snowmobile race in Whitefish, Montana. Now, the 32-year-old faces at least five to potentially seven years in prison. "I feel like he just shows up and puts the fine prints on what the state is just jumping on," Travis' best friend and fellow racer Paul Jackson told the Flathead Beacon. "Now that I've come to learn what Travis has got convicted for, I have come to learn that he wasn't involved in the crash. I would never speak poorly about anyone, but know what he's been convicted of, it's pretty

friends and colleagues in your office, where ever you are, and on social media. In a panel on The View on Thursday, co-host Joy Behar said that Bret Stephens' Bret Stephens Would Have to Be "Killed" if He's The Reason We're Going to War With Iran. The Atlantic's Bret Stephens, co-winner of the Week (via Stephanie Hannon) of the month for being banned from Kellyanne Conway's media events, wrote a column for the Daily Beast in which he argued that the Trump administration and Republicans in Congress should press forward with strikes on Iran. "I've argued before that it is critical for the United States to deal with Iran, to confront Iran militarily," Stephens wrote. "We should not stand aside, but I'
