What are the best rockstars for max Payne 3? A: The best gun for max Payne 3 is the standard one If you got the special edition of Max Payne 3 you are only entitled to use the special edition guns. Q: AngularJS + ImmutableJS: impossible to set default value I have a drop down in my app, and would like to filter based on the selected option. If I try to use ng-options, it doesn't set any value for the selected item. Here's what I have: I can't get to set any value for the selected item. A: Option value in your case could be represented as project.project\_types[option.id] or option.id so in your case ng-options should be like this: Check this plunkr. I'm walking around L.A. on a street where I am literally surrounded by hordes of Bitcoiners. It's good to be back! They hail me like a rock star. I am feeling so validated. In my case, I am not selling anything. I'm not even a broker. I am in the propaganda. Feel free to spot my name in whatever desperate attempts are being made to compete with Bitcoin. Meanwhile I am trying to dodge surveillance. Amazing technology. It's used to track my every move. It's like the world's greatest big brother. So far I have succeeded in eluding the ubiquitous eye-in-the-sky. Maybe next time. I see the occasional private car, perhaps vacationing Bitcoiners. They are going places I don't know and I am sure they are not going to buy anything. They are thinking about the future. Perhaps they are a little worried that Bitcoin is the future. Perhaps they are just thinking about themselves. And I don't blame them. After all, that's what we 0cc13bf012
