Elden Ring Features Key:

- Customization:** Enhance all of your characters with one of 10 mythical weapons, 4 different classes and 2 variant classes, 5 armor types and 17 hair colors.
- Expansion of Customization:** Over 30 different accessories are obtained depending on the weapons, armor, and hair colors you choose. Bracelets, rings, hairpins and clothing can also be customized.
- Customization Elements in Multiplayer:** Perceive the presence of your partner through the visual UI, utilize the Trust feature to put a friend at your side in battle, and support your friend in asynchronous gameplay.
- Local Multiplayer:** Select multiplayer to play with friends and travelers.
- Antagonist Faction:** Enter the world against the red blooded descendants of Tarnished, the mightiest of the hostile factions of the "Red Lands" that threaten to drown the Lands Between in a bloody and disastrous confrontation.
- Synchronized Multiplayer:** You can practice squad-based multiplayer with your friends, as well as use synchronization technology to coordinate with your party members during asynchronous online play.
- Home-Field Advantage:** Feel the pugnacious chords of the Land of Dawn as you enter the battleground of the rumored Elden Rings, which in their days of glory were the stronghold of the Elden Lords in preparation for the coming of the Third Age.

The Power of the Elden Ring:

- Rise in the Lands Between:** Become an Elden Lord and protect the Lands Between, the heavenly realm of mythical creatures, like the Dragons, Centaurs, and Elves that are filled with infinite potential.
- Everlasting Alliance:** Maintain the Elden Rings, as well as the Sands of Time. When the next incident of the Dawn occurs, follow the destiny of the Elden Ring and become its guardian, becoming an unforgettable figure of myth.

Game modes:

- Offline Adventure
- Online Play

Battery consumption: Power: 4.5 hours [basic operation]

Elden Ring License Key Full

ARMS FIGHTING / GROOMING • As a Warrior, strike enemies down with your sword, and perform powerful maneuvers. • As a Hunter, unleash the power of hunting weapons and heavy-hitting skills. • As a Gardener, plants will recover your strength. • As a Magician, control the power of magic and enter the battlefield. 1. Getting Started Once you have installed the game, select "Play" and the game will open to a lobby. As you enter the lobby, a game introduction screen will appear. During game play, press the Esc key to pause, the Home key to stop moving, and the [] keys to move your character. 2. Select Your Character Select the character that you would like to play with to make its details appear and download the required data. 3. Change Your Play Style When you start playing, you can select from four different styles: Warrior, Hunter, Magician, and Gardener. The four classes will have various weapons, armor, and magic. Click on the icons on the left to select the weapons, armor, and magic the character will use. You can choose to change your character's name at the end of the introduction screen. When the screen becomes blank, input your name into the box and press Enter to save. 4. Create Your Own Character After your name has been saved, you can select from a selection of dozens of appearance items. Choose what kind of look you want to go with your character and click on the "Set" button. Once you have chosen the appearance items, your character will appear in a window that you can interact with. 5. [Sub Skills] The character's strength and weakness skills, as well as combo knowledge, will be written into the bottom of the window. You can change the sub skills by pressing the [] key. To activate a skill, simply drag the skill icon on the bottom of the window to the desired position on the screen. To confirm the skill activation, drag the icon back. To cancel the change, drag the skill icon back to the original position. 6. [Equipment] Equip the weapon and armor that you want your character to have. You can equip armor and weapons from the same class by

What's new:

At the center of the story lies a beautiful young woman named Valeria who is traveling the Lands Between. She is being chased by a malicious being called the Demon Lord. As one of several travelers flitting about the Lands Between who are on a quest to protect her, it will be up to you to protect her by fighting along side her. As you make your way through an engaging story and battle hordes of enemies using a unique combination of strategic skills and battle magic you will discover countless dark secrets hidden deep inside the game.

KEY FEATURES:

◆ A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. ◆ A story driven turn-based combat system with a unique combination of strategic skills and battle magic. ◆ A unique asynchronous online element that allows you to feel the presence of others. ◆ A vast collection of unique items and items exchange. ◆ A 'Collection' and 'Card' system with various game mechanics for all fans of strategy games.

Enjoy an epic fantasy adventure with amazing graphics and exciting battles. >> Instructions for trouble-free play for non-English speakers can be found in the Instruction Guide.

Free Elden Ring X64
