• The First Fantasy Action RPG to be Made in Korea The development of Tarnished: Soul of the Elements is led by G-STAR Games, a highly-recognized Korean company specializing in RPGs and the development of world-famous games such as Ragnarok Online. It is no exaggeration to say that the first fantasy action RPG in Korea has been designed with the utmost care. • Unique Viewing Experience Tarnished offers a unique viewing experience through its mobile first and world first technology. Players can seamlessly switch between three perspectives: third person, first person, and bird's-eye view by tapping the screen. • Cross-Platform Integration To offer players a consistently high-quality game experience, the game can be played on all Android devices and iOS devices including the latest version of the Samsung Galaxy Note and iPhone. • Deep Social Networking Capability Social networking services, such as Facebook and Google+, can be used to access the game's friend list. Players can also send invitations to their friends to play Tarnished together. Tarnished features three camouflaged viewing modes for a seamless experience. Players can click on the "Continue" button in the upper right corner of the screen to bring up a variety of information and services, such as the friend list, achievements and tutorials for beginners. ABOUT G-STAR GAMES G-STAR Games is a leading Korean company specializing in the development of online games. With headquarters located in southern Seoul, G-STAR has been developing and publishing online games that are becoming increasingly more popular, such as Ragnarok Online, Aion, and Lineage II. Recently, it has expanded its online business outside of Korea with Lineage II: Revolution's launch in Singapore and Malaysia, and Aion's launch in China. It is also currently collaborating with external developers on games, such as Darkfall, Blade & Soul, and Lineage II Revolution. G-STAR is a company committed to growing the global market of online games by making its games available in as many markets as possible. G-STAR Games are always looking for talented and ambitious individuals who share the same drive to push the boundaries of online gaming. G-STAR Games seeks to develop and publish games with the best products and services in the online gaming industry. If you are excited about revolutionizing the world of online games, send your qualifications and a resume to recruitment@g-star.com. ABOUT KANEKO We are a team of gamers (

### Elden Ring Features Key:

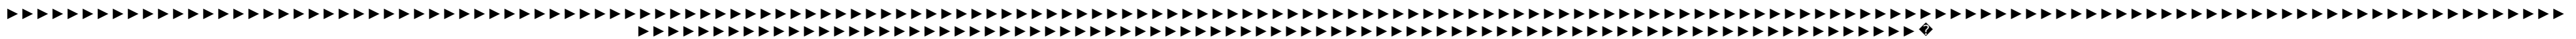

Character Creation: Create your own character that you can freely customize via the soul. Also, you can select a hero that seems like a life sim character from other games.  
Maximum Freedom: A vast world with open fields and huge dungeons that are complex and dynamic.  
Fun, Incisive Game Design: In addition to the freedom afforded by this vast world and various dungeons, this game was designed to avoid cumbersome tasks and to unleash the joy of discovery.  
Character Progression: Not a character class, but changes throughout your lives. You can develop your character by progressing it while learning the secrets of your surrounding culture.  
Expect High Combat Action: Using an intense action game engine based on Unreal, not a turn-based RPG. Characters can now scale gates, walls, and invisible barriers.

However, if your patch shows that the game is invalid, it means that the game was already activated, you can't play without the correct version of the game. Everyone knows the legends and the myths. Legends tell of the different races, of gods and goddesses, and of their mortal descendants. In this strange world, we meet two such descendants: Morgan and Margo. They are part of the First Brood. Brood is the name of the non-human race, their descendants, and those who serve them. They take care of the simple tasks, they ensure their well-being, they are there when they're needed. They are the ones who never leave you stranded, they are the ones who solve all your problems, and they always have time to listen to you. However, they're not the legends. Morgan and Margo belong to the species "Shape-shifters." They can change their shape into anything. They were blessed to be part of the First Brood. Morgan and Margo were both transformed into an Ogre, and forever knew that there would be a King of Beasts. This is where they meet their destiny. It will be up to them to complete their orders, to free the treasures of the world, and to endure the terror of the Winter Forest. They will follow their orders, to change the course of the history of their world. And

### How To Crack:

Run the Setup.exe file.  
Extract the contents of the archive to your desired location.  
Open the game folder and enter the activation code to activate the game.

Then simply run the uninstaller.exe (this is the same as the setup) again to remove the game from your system.

Enjoy:)
