The Elden Ring Game System, or GR, is a newly developed Fantasy action RPG created by TRIA, the renowned RPG software developer. The game took the direction of creating a new type of game using a comprehensive fantasy world with active players. A NEW FANTASY ACTION RPG. • An Epic Fantasy World to Explore and Live An open world filled with life that is full of action and excitement! A vast world where open fields with a variety of situations, and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, you will encounter a variety of unexpected situations and threats waiting to be defeated. • New, Surprising Action for an Epic Fantasy A drama-filled multilayered story told in fragments, which you will definitely enjoy. This is a multidimensional fantasy world where you can freely combine the weapons, armor and magic that you equip in your journey to explore the epic fantasy of the Rings. • Create Your Own Character in an Ambitious Fantasy World In the world of GR, you can create your own character according to your play style. You can equip weapons and armor to become a strong warrior, or master magic to become a powerful wizard! • An Epic Drama of Fantasy A multilayered story told in fragments. A drama-filled multidimensional story in which the various thoughts of the characters intersect in the world of GR. About TRIAsoft TRIAsoft Co., Ltd. is a leading independent game developer in the Japanese video game industry. In 1999, TRIAsoft released the MMO RPG “Naruto Online,” and has since built its own strong brand as a producer of Asia’s best MMOs, including “Naruto Online,” “Naruto Shippuden Online,” “Naruto Ultimate Ninja,” “Naruto: Ultimate Ninja Impact,” “Naruto Shippuden: Ultimate Ninja Storm Generations,” and “Dragon Quest IX.” In June 2015, TRIAsoft formed a new company named TRIA Inc., and has newly established its new company headquarters in Shinjuku, Japan. With TRIAsoft as the heart of the new company, it will work to build a new generation of online action RPGs and further introduce new technologies, such as UFG, so that players can enjoy unique, interesting online play more strongly. ©2015 TRIA Inc. "An epic yet charming RPG" • Android Community "Dungeon Crawler Approaches fully engaging and unique" • AppSpy "Dungeon Crawler is a throwback to the RPG's of the '90s, when RPG's were the heart of gaming and today, that same approach has been lost. It's a game that lets you build your own party of heroes, taking them out on new and challenging dungeons to show them their true potential. If you like RPGs with a small to medium playtime, give Dungeon Crawler a go, it's a great RPG to call your own." • Droid Gamers "Dungeon Crawler: A New Day" • AndroidZoom "Good Game" • XDA Developers "Gorgeous" • GameZebo THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. RISE, TARNISHED, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. **New Game Programming by Nobuhiro Ikariya** We're launching a New Game in the following: * A new action RPG dungeon crawler based on the fantasy world of Elden Ring. * Bring the dramatic story of the Elden Ring to life, and draw out your role as the main protagonist to become an Elden Lord. CUSTOMIZABLE LOADOUTS ? Your character can be created freely. According to your play style, you can freely arrange the strength, magic, weapon, and armor of your character. When compared to traditional RPGs, we've added a variety of customization options. ? Equip a variety of weapons, armor, and magic. A wide variety of equipment can be equipped at any time. Equipping different equipment at the same time will change the interaction with other characters. ? Acquire and use equipment that has been improved and obtained as special rewards. You can also acquire special items such as powerful equipment. These will advance your equipment to the next level when equipped. EMBERS OF KINSHIP bff6bb2d33

What's new in Elden Ring:

In this new world, the youthful lord of old, Locke, is dead. The Elden Ring and the daughter with emotions, Laura, reflect this. In order to restore the dead Locke, Atel was told to start a skirmish on the Lands Between. It was the starting point of the clash between the innocent Laura and the manipulative Atel. • Building the World of Tarnished We traveled to the deepest regions of the Lands Between in order to realize a fantasy that exceeded our expectations. Be it for fans of the fantasy RPG genre or for those who want to experience something new in Tarnished, this game is worth trying.

The plan is to gradually release new content from time to time. In addition, we will be holding development talks and contests at the E3 Expo. The multiplayer system also offers more players the chance to experience the forest as one.

We hope you look forward to it!

Title: Bloodstained: Ritual of the Night Genre: RPG Developer: Koji Igarashi Publisher: Inti Creates Platform: PS Vita Release Date: TBA Price: \$39.99

Available for the first time in North America, the critically-acclaimed cult hit, “Bloodstained: Ritual of the Night” is an 8-bit/16-bit style RPG set in a gothic Western world. It has players infiltrating a Charnel City ruled by Mother Megalomaga, a devil-like creature also known as Mother Cego and Queen Metia. As a child, the protagonist, Albedo, cut off his right hand to free his sister, Murakami, in a catastrophic act of folly, which created an age-old contract that binds them as blood-related twins forever. Now, hundreds of years later, the infants guardians have to uncover the dark secrets behind Mother Cego’s twisted plans. While the horned enemies and fiendish traps that line Albedo’s quest are replete with in retro-style art, “Bloodstained” delivers a dark, meaningful story that challenges players' perceptions of what constitutes a “good” play style.

Supporting characters include Stella, the half-vampire who wields wooden nails (Reietsu); Horatio, the half-wolf tasked with protecting Albed
