Twitter. Search. Latest Tweet. To help improve our services, tell us what you think about this page. Your feedback will help us to make our site better, faster and more useful for you. Search This Blog Archive Until there is an actual opinion poll, I'm going to show you the polls the media provides: The shocking number of votes for Obama in Oklahoma City. Note that Obama had small majorities in Jackson and Moore counties, which in Oklahoma City elect 50% of the city council, and about 44.9% of the City Council races. Remarkable victory for the Left in Oklahoma City. Note that the city council members Kerry Pyle and Shane Kline are not actually left, but blue-no-party-wins types. I doubt they brought in many of the votes. Small victory for the Democratic Party in Oklahoma City, which of course was the seat of the infamous "Scalia" Voting Rights Act. Stunning Obama victory in Oklahoma City, where a Democrat didn't even run. How did this happen? The invention is based on a device as defined hereinafter. A device of this type is known, for example, from German Utility Model No. 7,630,185. With this known device, the fiber material, for example, in the form of a rope, which is to be reinforced, is transported, at the same time as it is being subjected to tension, by a nipper and a slider
