Autodesk Inventor Professional 2016 XFORCE for Windows.Which is the best way to find out how people like me rank among the stackoverflow community? By the way, I'm in the top 20% of users here. A: For a number of years, I used downvoted every post that didn't sound like programming. I believe there's a more objective criterion for us to follow, but I could be wrong. I also got the reputation that way. Another popular way to determine the quality of the signal is to look at the vote count. Do most of the votes come from a few countries (such as the USA) or from a wide range of places?
