The most important politician in the United States is a far right-wing demagogue running a criminally corrupt administration. This is not meant as hyperbole, but merely a fact. To see why, we need to look at the bigger picture, the source of moral capital for the whole system. That source is the particular brand of Christianity that has become the basis for American political and economic life. This brand of Christianity holds that human beings are naturally evil, that human beings are inherently bad, that man's greatest sin is free will. And these principles are so deeply rooted in that Christian view that they have become so inextricable from Christian morality that you cannot even say them without invoking Christian thought and language. Therefore, in the view of the far right, human society is essentially sinful and corrupt, society as such must be brought to heel by an authoritarian conservative government, and the role of the church is not to preach a faith in a loving God, but to transform society into a feudal society ruled by the state, where millions of people are chattel. You do not have to be a biblical scholar to recognize the genealogy of this far right, but you do have to take a close look at the history of the American evangelical movement to understand its theological context. For one thing, the American evangelical movement began as a branch of the political abolition movement, in the early 19th century. The liberal evangelical movement in America grew out of a particular anti-slavery and anti-imperial sentiment. Later, some evangelicals used their political power in the Confederacy, a slave power, to fight their own emancipation. After the U.S. Civil War, they continued to fight against the extension of voting rights to black people, and the ratification of the 15th Amendment (which gave women the right to vote), and the 14th Amendment (which established the civil rights of black people), as well as the continued legalization of racial segregation. Finally, with the coming of Jim Crow, they made a last stand, which made the advent of the civil rights movement possible. They helped to set up some of c6a93da74d
