
Al Quran Juz 30.pdf

-Fatih ... But if they asked me how old I am -What question do you want answered? When asked how old I am... - You want to know how many years you will live -Of course not... I'm not at all sure I'll live to see that day come... - Then what do you want to know? "And if you asked me how old I am" When asked when will I get married... Do you want to know how many years you have left to live? You already know the answer...
