Atlante di anatomy umana [Frank H. Netter] on Amazon.com. . Italian edition. Get your Kindle here or download the FREE Kindle reader app.  $\frac{1}{4}$  .  $\frac{1}{4}$  . Have you ever thought about the origin and evolution of man? This book is a different perspective. He considers the evolution of man from the moment of his appearance in Africa, where he survived under harsh conditions, and where he now lives. A look into the depths of history, both from a scientific point of view and from the point of view of faith. You will learn about man's relationship with nature, the origin of different species, that man is part of our planet, how important it is for us and why.
