May 15, 2015 - During two interviews with FBI agents in February and March of this year, Roberts claimed to have hacked into Boeing's entertainment systems ... Roberts also claims that he also allegedly hacked into Pentagon computer systems. He also claims to have allegedly hacked into the computers of the European Space Agency. Let's leave for the moment the question of how true the facts in Roberts' claims are and how they could be verified. What I am interested in is how true these claims are and how plausible they are. To begin with, let's think about how one could dd2bc28256
