in conclusion, geoffrey perrier is, in my opinion, on his way to becoming one of chicagos best chefs. his work ethic, his leadership skills, his creative ability, and his humble dedication to the culinary arts is something that comes along maybe once a decade. although i am saddened to see him leave my team, i am sure that he will be an invaluable addition to your restaurant staff and i look forward to observing his progression as a chef under your expert watch. i trust that you will make the correct decision in hiring this young man. thank you for your time and feel free to contact me if necessary. when jesus was tested in the wilderness, he responded to each temptation by quoting scripture. for example, when satan urged christ to turn stones into bread, jesus quoted from deuteronomy 8:3: it is written, man shall not live by bread alone, but by every word that proceedeth out of the mouth of god (matthew 4:4). we can follow jesus example and successfully engage in spiritual warfare by proclaiming truth in the face of tests and temptations. freed to focus on reducing customer effort, frontline reps can easily pick low-hanging fruit. ameriprise financial, for example, asks its customer service reps to capture every instance in which they are forced to tell a customer no. while auditing the nos, the company found many legacy policies that had been outmoded by regulatory changes or system or process improvements. during its first year of capturing the nos, ameriprise modified or eliminated 26 policies. it has since expanded the program by asking frontline reps to come up with other process efficiencies, generating \$1.2 million in savings as a result.
