To the JL, it looks like they've been wearing costumes for a while and are now just sharing them. Whatever happened, it seems like the plan was that their powers would fall off once the villains were dead. Or defeated. Or whatever. But the League is no longer a team, they realize. Each one of them is running the world as they see it. And the more they fight, the more they fear they'll lose the worlds they're running. Justice League: The Flashpoint Paradox will introduce new characters in the DC Comics universe to audiences in the Adventures of Supergirl TV series, where Superman and other heroes have never been seen. Fans can also see the animated Justice League TV series on the DC Universe app. Justice League: The Flashpoint Paradox features an all-star cast including Bruce Greenwood, Dominic Purcell, C. Thomas Howell, Matt Lanter, Jay Baruchel, James Marsters, Jeremy Jordan, Thomas Mitchell and Brian Austin Green. Each one of these characters has had a solo movie in the DC Universe Original Animated Movies line, and together they join forces to save their friends and the Earth.
