Sino Mercury Acquisition Corp. is incorporated in the state of Delaware. Sino Mercury Acquisition Corp is primarily in the business of blank checks. For financial reporting, their fiscal year ends on December 31st. This page includes all SEC registration details as well as a list of all documents (S-1, Prospectus, Current Reports, 8-K, 10K, Annual Reports) filed by Sino Mercury Acquisition Corp.. Shana Peavy, Senior Marketing Designer at SMAC. We build advertising experiences that give customers what they want and make them feel good. We're on a mission to make lives better through the power of branding and marketing. Some of the features that SMAC offers are item filters that show you the best deals, trending products, popular products and the newest products. Customers can also get their own personalized map that shows where their closest SMAC stores are located. They can also receive notifications that let them know when the location is within their area. Jay Martens, founder and CEO of SMAC. Our goal is to help consumers discover products more easily, and to help retailers build their business by giving them tools and resources to create better marketing campaigns and sales promotions. We do this all in a way that is user-friendly and is fun for consumers. Randy Krouse, co-founder of SMAC. We're focused on creating experiences for our customers. The key to success is being open to new ways of thinking and experimenting. As an experiment in marketing and branding, SMAC has created an experience that is fun and easy for customers.

It has been a pleasure to work with all of you to bring this event to life. Be sure to spread the word about this great conference and the associated workshops. You can find more information and online registration, and send us feedback, at www.roscon.org. We look forward to seeing you at the conference! The JTB Agency provides visa support to those who have scheduled conference registration at ERF5 Japan representative office. For more information on visa support, please contact the Japanese embassy of your country/region for visa support. Please do not miss the deadline for submitting registration and visa application materials. After the deadline, no additional registrations or visa applications will be accepted. (Please note that registration will be available to anyone once the application deadline closes) For those who need visa support to attend ROSCon in 2022, please make sure to register with ERF5 Japan as early as possible and provide the registration materials to JTB at the same time. We will provide visa support to those who registered with JTB at the same time. Confirmed speakers have placed their request to be included in the ROSCon book. It is still possible to register early if you plan to present a talk, and we will make sure that you receive the stage time you have requested. For any registration questions or for more information, please contact the ROSCon committee at rosconfro@gmail.com. The early registration deadline is November 30, 2020 5ec8ef588b
