a unique key. you must be at least 13 to create a uplay account without parental consent. ubisoft may cancel access to one or more specific online features upon a 30-day prior notice published at www.splintercell.com. the first chapter begins with a plane crash that takes place in a remote location in the red sea. the very basis of the game is the investigation of the situation. sam fisher, the protagonist, is a retired agent of the international organization ordre. he was trained to be a splinter cell and was assigned to a team to solve

various tasks for the order.
splinter cell: blacklist will have a
new game mode called
execution. during execution, a
mission objective will be given
and the players will have to
obtain a certain amount of points
to clear the stage. points are
awarded to players by executing
enemies, and players are able to
gain points by completing
secondary objectives. it will cost
\$19.99 (rs 1380 approx) to pre-
order the pc version of splinter
cell: blacklist. the retail release
of the pc version will be available
in november 2012. the retail
release of the xbox 360 version

and playstation 3 version will be
available in november 2012.
