Total War Saga: THRONES OF BRITANNIA - Blood, Sweat And Spears [portable Edition]

this exclusive edition of total war: thrones of britannia includes: 9 war scenarios with tactical level maps, customisable for every battle; campaign mission modules for developing your own set of modules in the style of the classic total war campaign game; and the "feats of arms" screen saver module that lets you see the results of your tactics in a combat sequence played out on a map. in 2008 stacey dooley emerged as one of the stars of the hit bbc three series, blood, sweat and t-shirts, and has since spent the three years lifting the lid on shocking stories from the developing world. in 2010 she travelled to the democratic republic of congo where she examined the plight of child soldiers and journeyed to cambodia to investigate the shocking world of underage sex trafficking. for over two hundred years, scots have been celebrating the life and work of our national bard robert burns every january. however, burns suppers aren't a phenomenon unique to scotland and in the year that glasgow welcomes 71 nations to scottish soil for the commonwealth games, this documentary reveals how, and why, this night is still celebrated in some of the furthest-flung corners of the commonwealth. from the villages of sri lanka, where only three scots remain in an ancient society that is still going strong; to singapore, where only 'pure blood' scots are eligible to join the club; and from ghana, where the marriage of scots and african culture has generated new 'traditions'; to the remote island paradise of bermuda, where every scot on the island - including the new governor - has to speak for their supper. 'the commonwealth of burns' follows the trials and tribulations of these far-flung st andrews and caledonian societies as they prepare for their big day. it tells the story of the scots characters who have settled in these countries, and reveals why the celebration of burns night still has such meaning around the commonwealth. it also explores 'scottishness' and what it means to people, some of whom have never actually visited scotland.
