---

new for pc/xbox360/playstation portable/ps3 - improved visual effects: hundreds of little enhancements, such as the animations of blades of grass, improved normal mapping, more realistic lighting, in-game rain effects, etc. new mini-games - mini-games have been significantly expanded. there is now 12 new mini-games that have never been offered in other arcade/sports games, and these mini-games include new mini-games such as dancing mini-game, block mini-game, cheerleader mini-game, mini-game of bowling, etc. the mini-

---

games will be suitable for all players, regardless of their skill level. the original virtua tennis releases for the sega mega drive/genesis were released in europe and australia in october 2000. there are two new additions here - firstly, the nintendo 64 and playstation versions are also available. these releases were officially released in europe and australia on november 15, 2001. sony playstation has recently brought out a reworked virtua tennis for the playstation 3. the reworked game plays a little differently, and has new gameplay modes

---

such as challenge mode and the popular doubles mode. sega just released the virtual console version of virtua tennis 3 for the xbox 360 and playstation 3. virtua tennis 3 is available in the european playstation store and the xbox live marketplace. the game is currently available for download for 10.99 pounds or 10.99 euros. virtua tennis 3 is one of the first online titles to come to the playstation 3. this is a list of all arcade releases for the sega master system and sega mega drive. there are only four games in this list. the master system games are from

---

sega's ags series, while the mega drive titles are from sega's pmg series. the pmg games were released on the game gear and game boy advance.

### **Virtua Tennis 5 Pc Completo**

sega sports tennis is the first in the series to be fully multi-platform. the game allows for a greater variety of game modes as well as a smoother online experience than the previous game. the game features more than 40 different courts to play on, including locations such as

---

stuttgart and shanghai, etc. original virtua tennis title, virtua tennis 4 was released in october 2005 in europe and north america for the playstation 2. it was the first virtua tennis game to support online multiplayer. virtua tennis 4 was the last sega game to be released for the dreamcast, although the console was discontinued in north america in june 2001 and in europe in september 2003. the dreamcast version of virtua tennis 4 was a port of virtua tennis 3 for the arcade, rather than a new game. the sequel, virtua tennis 5, was released in

---

january 2007 in europe and north america for the xbox 360, playstation 3, and playstation portable. virtua tennis 5 was the first virtua tennis game released on a home console. it features the wii motion plus peripheral to add motion control. virtua tennis 5 is a motion-controlled version of virtua tennis. it was released on the playstation 3, xbox 360, and wii u consoles. it features the wii motion plus peripheral to add motion control and a wireless ad-hoc mode for multiplayer. the wii version was released in north america on

---

march 26, 2010, and in europe on may 6, 2010. it was also released on march 22, 2010, in japan for the playstation 3 and on march 23, 2010, for the xbox 360 in japan. both versions of virtua tennis 5 are available for pc. the two versions have similar graphics, controls and options, and while both versions work identically in general, there are some minor differences. the pc version of virtua tennis 5 comes with two game modes - arcade and tournament. the arcade mode is similar to the one in virtua tennis 4 and is where you play

---

individual matches, and the tournament mode is much like a classic tennis tournament. there are 2 game types in this mode - standard, where you play one set and set up, where you play a best of 3 set match.
