Sci-fi thriller in the Indian Malayalam language, written and directed by A. R. Murugadoss, with the participation of Suriya, Shruti. I first saw this film in the 90s of the last century on DVD commissioned by my aunt in her collection of films in different languages. I still remember that I really liked him. This was my first encounter with South Indian cinema. At that moment we had only one film that was shown to us - "Ramayana". All the other films we watched had Russian subtitles. So for me the movie was not understandable. I remember being pleasantly surprised that the film was made in Marathi.
