Updated: 12-05-2017. Official Website: Dark Souls 3 is a first person action-RPG video game developed by FromSoftware, the studio behind Dark Souls and Demon's Souls, and published by Bandai Namco Entertainment for Microsoft Windows, PlayStation 4 and Xbox One. The game was released in Japan on July 12, 2016, in North America on September 15, 2016, and in Europe on September 18, 2016. The game takes place in an open world environment. Players can explore and navigate the game's world via nonlinear sequences of pathways and destructible environments. The game is broken up into several different regions known as chapters. Players can choose a difficulty level based on how much they are able to learn and master in a given chapter. New weapons and armor can be acquired through the game's numerous optional quests, by defeating bosses, or by completing certain in-game challenges.
