Search for books you want from Barnes & Nobles, Overdrive, The Google and more. You can even use their free new release list. All you need is an account and your password We have successfully indexed the web and now we try to get as many books as we can for our library. We are trying to get books out of all online sources and hopefully we will be able to access all of them in a few months. Please click on the title or the cover of a book you want to read and it will take you to a page where you can preview that book. Then if you want to order a copy you can do so by clicking on the orange "Buy at Barnes & Nobles" button. You can order a Kindle book by clicking on the Kindle button and it will take you to amazon.com. Most of the time you can order the ebook format if you want, and if not you will have the option to download the printed version. Stepping on Roses is an Amazon affiliate site. This

does not increase the price you pay in anyway, but may offer you free books if you are an Amazon customer and purchase books through Stepping on Roses. If you see a book you want to purchase, but don't want to buy through Stepping on Roses, click on the "buy the book" button on that book for a link to where you can go to pay for the book. We make a small percentage on the sale of Stepping on Roses. Stepping on Roses is a free book download site. When you click on the book title it will take you to the site where you can download the e-book version of the book. The books are free but some have a purchase link which allows you to pay for the book at Amazon.com. Stepping on Roses is not a site where you can read online e-books. We are getting our books from online sources like Scribd and our own Stepping On Books. Once we have the books we will be able to scan the pages of the book so you will be able to read the books online, but for now they are only available as free downloads on our site. We
