The fourth season of the Indian version of the Idol show will be aired on Star Plus with Amaal Mallik as the official judge and The Debut. The fourth season will be aired on 29 January 2020. Weekly news and a weekly radio show, Breakfast With Sharat Bhatia, make up the programming for the channel. The channel's content will cover a variety of themes, including music, lifestyle, and current affairs. Its first show was supposed to be aired on 11 November 2019, but Star TV pulled out of the deal before it could be aired. In January 2020, Star India CEO Uday Shankar clarified that there was no contract between the company and Star TV, and the first show would be aired in 2020.

The purpose of the study is to investigate the level of evidence of the arthroscopic shoulder surgery. Four reviewers independently assessed the level of evidence of the case-control trials and the cohort studies concerning arthroscopic shoulder surgery. Four reviewers independently assessed the level of evidence of the case-control trials and the cohort studies concerning arthroscopic shoulder surgery. The results were classified with the Oxford classification. The Oxford Centre of Evidence Based Medicine levels for case-control trials were all level 2, for cohort studies were 3 or 4. Arthroscopic shoulder surgery is a common treatment for shoulder pain. There are several case-control trials and cohort studies published on the efficacy of this procedure. Our analysis of the results of these studies indicates that the evidence of the efficacy of arthroscopic shoulder surgery is fair.Q: RegEx for URL like /abc/xyz I want to grab everything before /abc/xyz, e.g. from the following I want to get /abc/xyz.
